

## Eureka3X Registration and Software Download Guide

---

### 1. Registration Process

#### Step 1: Fill Out the Registration Form

1. Visit the official Eureka3X registration page.
  2. Fill in the required fields:
    - Full Name
    - Email Address
    - Company (if applicable)
    - Country
  3. Agree to the terms and conditions.
  4. Click **Submit** to complete the registration process.
- 

### 2. First Email: Verification

#### Step 2: Verify Your Email

1. After registration, you will receive an email from **Eureka Team**.
2. Open the email and click on the **verification link**.
3. This will confirm your email and activate your account.

*If you do not receive the email within a few minutes, please check your spam or junk folder.*

---

### 3. Second Email: Credentials and Download Link

#### Step 3: Receive Your Credentials

1. Once your email is verified, you will receive a second email containing:
    - Your Eureka3X **username** (your registered email address).
    - A **temporary password**.
    - A secure **download link** for the software.
  2. Save your credentials for future reference.
-

## 4. Downloading and Installing Eureka3X

### Step 4: Download the Software

1. Click on the **Download Eureka3X** button in the second email.
2. If prompted with a security warning, select **Keep** or **Download Anyway** to proceed.
3. Save the executable file (.exe) to your desired location.

### Step 5: Install Eureka3X

1. Double-click the downloaded **Eureka3X.exe** file.
  2. Follow the installation wizard instructions.
  3. Enter your **username** and **password** when prompted.
  4. Complete the installation and restart your system if necessary.
- 

## Troubleshooting

- **Didn't receive the verification email?** Check your spam folder or request a new one via the registration page.
- **Security Warning during download?** This is a common precaution for executable files. Confirm the download manually.
- **Forgotten password?** Use the **Forgot Password** option on the login page.
